Question 4: What do YOU think is the purpose of education in society?		

**Item**

There are many different formats for education in the UK, which provides parents and students with greater choice in their educational provision. The biggest choice is between state funded education and private education, but within these two formats there is even greater choice including single sex and faith schools. Additionally parents have the choice to choose to educate their children at home.

Applying material from the item, analyse two types of education available in the UK. [10]
